2/2

Attached is a Federal Facilities Compliance Agreement with the Navy for San Clemente Island in RB4 that was referred by State Board. The FFCA is similar to an AOC, especially the injunctive relief aspect, but FFCAs are required when the EPA is working with another agency in the federal government.

Also attached is an AOC for the City of Lompoc in RB3 for mostly pretreatment/FOG violations. This one was more a result of referral from City staff and then working the RB3.

Hope these help!

Thanks,

Mike
